Dear CE1 students,

These are your three summer missions, if you will accept them?!

Mission #1 - Word Hunter

Become a word hunter this summer. Catch, collect and understand at least 25 exciting new words that you can note down on an A4 page. When you come to class, your page should look terrible, because it has been folded in your pocket and has come with you on all your summer adventures!! Special praise for anyone who would like to draw a picture about a new word, or who would like to invent a silly sentence!

Mission #2 - Book Detective

Can you find an amazing English language book which makes you smile or laugh? Or two or three? Or four? If you can find some, please take the time to read them or to listen to them. If you don't find any of your own, take a look at these links with your favourite adult. Please write three sentences to tell me why these books make you smile or laugh. I hope you can make me laugh too!

Mission #3 - Write a postcard to the class telling us all about your favourite activity this summer or the best place that you have visited!

Have a great summer! I'm really excited about meeting you (or seeing you again) in September!
