Summer activities:

- Please **choose a book** to read with your children during the holidays. They should complete the attached book review and make a recommendation to present to their new classmates. You will find attached 2 recommended reading lists (for Years 1 & 2) in case your children need some inspiration 😊.
- **Send a postcard from your holiday:** If you can find a postcard to bring to class from somewhere you have been this summer that would be great. Alternatively, your children can illustrate a fun moment from their summer using the “postcard template” document. This will serve as a springboard for “talk time” in September.
- Ideally, your child should be comfortable with phase 2 phonics, sounds and letter recognition. If you think that they may need a holiday boost you can work through the following book with them: Cambridge Primary Phonics Workbook A - ISBN 978-1108789950

Wishing you all a lovely summer holiday.

Kind regards,
Nathalie Kasper
